

Programma Convegno REALITIES

Agenda completa della giornata di convegno con sessioni REALITIES, IMPACT e BRAINS

09:00 - 09:20 Registrazione

09:20 - 09:30 Saluti istituzionali

Saluti istituzionali Prof. Chirico, Dr. Ferraioli, Dr. Culicetto, Dr. Palombi

09:30 - 10:30 REALITIES - COMPLEX EMOTION SESSION **Chair Prof. Alice Chirico**

09:30 - 09:50 Not all empathies are the same: how to use basic empathy in building ageism awareness when designing services aimed at older adults

Relatore/Relatrice: Elena Comincioli

Università: Aalto University

09:50 - 10:10 Transcending self-transcendence: when and how extended reality technologies can promote profound experiences?

Relatori: Chiara Scuotto, Giulia Parola, Maja Wrzesien, Stefano Triberti

Università: Pegaso University

10:10 - 10:30 Emotion awareness

Relatrice: Gloria Simoncini

Università: Università eCampus

10:30 - 10:50 Coffee break

Keynote REALITIES

10:50 - 11:20 Time and Space in Emotion

Tema: Complexity in Emotion field: from real data to simulation

Relatore: Prof. Pietro Cipresso

Università: Università di Torino

11:20 - 12:20 REALITIES - BEYOND A "VIRTUAL REALITY" SESSION - Chair Prof. Alice Chirico

11:20 - 11:40 Immersive Virtual Reality as a Tool to Encourage Environmentally Responsible Choices

Relatori: Nicolò Dozio, Maria Grazia Lamberti, Alianny Melina Perez, Riccardo Giussani, Giulia Wally Scurati, Francesco Ferrise

Università: Politecnico di Milano, Department of Mechanical Engineering, Milan, Italy

11:40 - 12:00 Into the wild: Advancing lab-in-the-field research with biosensor-based approaches

Relatori: Marco Mandolfo, Debora Bettiga, Alice Chirico, Andrea Gaggioli

Università: Politecnico di Milano

12:00 - 12:20 Liminal space and Nostalgia

Relatrice: Eleonora Sarcinella Diletta

Università: Università Cattolica del Sacro Cuore

12:20 - 12:40 Entrepreneurship, generative AI, and creativity

Relatrice: Katusha Gerardini

Università: Università Cattolica del Sacro Cuore

12:40 - 13:20 IMPACT - EMOTIONAL AND COGNITIVE ADVANCEMENTS IN SPORTS SESSION

Chair Dr Tommanso Palombi

12:40 - 13:00 Psychophysiology Outcomes of Inspiratory Muscle Training in Young Healthy Adults

Relatori: Sabrina Ehrenfort, Barbara Cazzolli, Scott Ferguson

Università: Embry-Riddle Aeronautical University

13:00 - 13:20 Innovating socio-cognitive assessment in sport: Serious Game development to promote ethical sporting behavior among young athletes

Relatori: Martina Giorgi, Andrea Chirico

Università: Sapienza University of Rome

13:20 - 14:20 Pranzo

14:20 - 14:30 Saluti BRAINS

Keynote BRAINS

14:30 - 15:00 Virtual Reality as the Key of Empathy: neuro-cognitive results

Tema: Emotional-motivational dynamics and their modulation

Relatrice: Prof. Chiara Lucifora

Università: Alma Mater Studiorum University of Bologna

15:00 - 17:50 BRAINS - EMOTIONAL-MOTIVATIONAL DYNAMICS AND THEIR MODULATION SESSION

Chair Dr. Laura Culicetto and Dr. Francesca Ferraioli

15:00 - 15:20 Political Orientation and Threat Sensitivity: A Pavlovian Conditioning Study on Political Extremism and Fear Acquisition

Relatrice: Alice Lia Carmen Giunta

Università: University of Camerino; Host University: University of Messina, COSPECS Department

15:20 - 15:40 iTBS in Major Depressive Disorder: Associations Between Clinical Improvement and EEG Complexity

Relatori: Simona Vasta, Valeria Gosti, Clementina Comitale, Laura Di Giunta, Silvia Picazio, Giorgio Di Lorenzo, Diego Andolina, Viviana Betti

Università: University of Messina

15:40 - 16:00 Extending the Mind, Reclaiming the Self: Narration, Media, and the Crisis of Cognitive Individuation

Relatore: Mehdi Osanlou

Università: University of Messina

16:00 - 16:30 Fear conditioning and aggressive behavior in interpersonal relationships and ideological conflicts

Relatori: Rosa De Stefano, Laura Culicetto, Carmelo Mario Vicario

Università: Università degli Studi di Camerino

16:30 - 16:50 Coffee break

17:10 - 17:30 BRAINS: Investigating the Effects of Hypnosis on Fear Conditioning and Extinction: A Virtual Reality-Based Study Protocol

Relatori: Simona Massimino, Chiara Lucifora, Martina Bennardo, Carmelo Mario Vicario

Università: University of Messina

17:30 - 17:50 BRAINS: The Role of the Primary Motor Cortex (M1) in the Processing of Rewards and Motivational Incentives: An Ongoing Systematic Review

Relatori: Cagatay Karakoc, Francesca Ferraioli

Università: Università degli Studi di Camerino

📄 **Fine del programma** - Grazie per la partecipazione al Convegno REALITIES
